**Honorable Members,**

The Makueni County Vetting and Approval of Public Officers Act, 2015 in section 5 requires that the notification of nomination from the Governor shall be deemed to have been duly given on the day when it complies fully with the law; that is, it is accompanied by information concerning the nominees and the criteria used by the appointing authority in recruiting the nominee(s).

**Honorable Members,**

I want to confirm that the notification from the Governor complies with the provisions of the law and is therefore duly received by the County Assembly.

Upon receipt of the notification of appointment, the Clerk shall cause it to be read in the County Assembly by the Speaker after which it shall be referred to the relevant committee to conduct an approval hearing.

It is important to note that the county assembly only has 21 days from today to consider and make a decision regarding the nominees’ failure to which the nominees shall be deemed to have been approved by the County Assembly.

**Honorable Members,** I want to confirm that, for the nominee of the Department of Devolution, Public Service and Administration, Julius Kaloi, the County Assembly is awaiting more information from the office of
the Governor as it has been established that a certain document was not attached and will be provided tomorrow (Thursday, 28th September, 2017).

Honorable Members,

I therefore commit the Governor’s nominee to the office of County Secretary and the ten (9) names for the position of County Executive Committee Members, to the Committee on Appointments, for consideration and consequent tabling of reports to the Assembly for approval.

The Committee will be guided by the Constitution of Kenya, 2010, the Makueni County Vetting and Approval of Public Officers Act, 2015, the County Governments Act, 2012 and other relevant laws and it is expected that the Committee will adhere to the set deadlines, notwithstanding that the name of Julius Kaloi for the Department of Devolution, Public Service and Administration will have to wait until the County Assembly receives the requisite documents.

Thank you”.
